"We urge all customers to remain vigilant when using cash machines and to check their bank statements regularly."

"If you are a Barclays customer and have been an

innocent victim of card fraud you will be refunded."

The spokesperson believed that 10-15 people Barclays customers had been affected.

A NatWest spokesperson confirmed that its Axminster branch had been visited by about 10 customers with the same problem.

The spokesperson added: "Unfortunately fraud is an industry-wide issue which affects all banks."

"At NatWest we take the issue of fraud very seriously, constantly reviewing our stringent security procedures, which aim to identify fraudulent activity and protect our customers."

SEATON

Top Town Hall

SEATON Town Hall has passed a rigorous examination and boasts a Community Council for Devon Hallmark 3 Award (community buildings).

The town hall is managed by Seaton's Voice and the Level 3 award is the highest one available in the scheme.

Assessors look for good practice in the management of community buildings and test administration, building management, user care and marketing.

The assessors' report praised the dedication, passion and professionalism of Seaton's Voice hall management and team of volunteers, describing it as "a model for others to follow".

From the editor's chair Is summer here at last?

REMEMBER that six letter word beginning with 's'? Let me jog your memory. On Thursday (June 21st) we will be half way through it. Yes, you've got it - SUMMER!

We did have a brief glimpse of what we all hoped was in store for us way back in March. Since then, well it's been decidedly wet and windy.

The sun did poke its head out this week and everyone who works so hard to make the Axe Vale Festival one of our summer highlights are keeping their fingers crossed that the rain won't return before the weekend.

Over the years this event has grown in stature and reputation and is now well established as one of Devon's most popular and successful one-day shows, a real coming together of town and country, which has raised tens of thousands of pounds for worthy causes in the Axminster areas.

The team that organises the event has been together for many years now and under the new leadership of Claire Morgan they will be doing

their utmost to ensure that the 2012 Axe Vale Festival lives up to expectations. I have no doubt that it will - rain or shine.

I've written many times about the army of voluntary workers who do much to make East Devon such a caring community. Our lives would be very much the poorer without them.

In this year of the Queen's 60th anniversary as our monarch, Prime Minister David Cameron decided to reinstate the British Empire Medal to the Queen's Birthday Honours.

And so we are able to celebrate and say well done and thank you to two very special people who live in **Pulman's Country**.

Mrs Eileen Rooke, a founder member of the support group Honiton Hospiscare, and Mrs Joy Seward, from Sidmouth in Bloom, have been rewarded for their services to the community by becoming recipients of the BEM.

Greatly deserved in both cases.

HONITON/SIDMOUTH BEM awarded to charity workers

OCTOGENARIAN Eileen May Rooke, a founding member of Honiton Support Group for Hospiscare has been awarded a British Empire Medal on the Queen's list for her work within the community.

Eileen, 81, who lives in Offwell, first found out the news of her award in early May, and has waited patiently for the moment when she could share her exciting news.

Eileen was first inspired to volunteer for Hospiscare after she viewed a visit to a hospice in Sydenham, London by founding member of modern hospice, Dame Cicely Saunders. Eileen said she was so impressed with what she saw that after helping with a hospice in London herself, she knew she should devote time to volunteering.

When Eileen moved to Honiton 21 years ago, she joined with local volunteers who were looking to form a committee to support local Hospiscare Nurse, Angela Phillips, who still remains the nurse today. From there, Eileen has spent numerous years supporting the local Hospiscare as well as a number of local groups in Offwell and Honiton.

Grandmother to 12 grandchildren in all, Eileen was pleased to be able to share the news with her family.

Mrs Joy Seward, a stalwart of the Sidmouth In Bloom organisation for many years, was also awarded the BEM for services to the community.

OTTERY/SIDMOUTH Students taking over restaurant

STUDENTS from The King's School in Ottery St Mary are to join forces with a five star restaurant in Sidford.

The catering students, who are approaching year 11, have been offered the chance to run the Salty Monk restaurant on Church Street, Sidford, by owner Andy Witheridge, in November of this year.

The students will work in the professional atmosphere serving 40 guests with a chance to work both in a commercial kitchen and to serve in a five star restaurant.

Following The King School's success during their "Restaurant for One Night Only" initiative, the catering staff were approached by Mr Witheridge who wanted to give the students an opportunity to get real life catering experience working in a restaurant.

In charge of the venture is Mrs Capon who first came up with the idea of the "Restaurant for One Night Only" three years ago. It is an initiative where students are pitted against each other in teams and challenged to arrange everything, from front of house, to designing invites and menus.

The students then cook and serve a three course meal to parents and teaching staff for up to 24 covers in the school's converted graphics room.

Mr Witheridge of the Salty Monk has spent time with the young cooks helping them with revision and teaching sessions during the past term and was invited to the "school restaurant" where he and his wife enjoyed a full four-course meal of canapés, starters, main course, dessert and coffee.

■ **STAYING UP:** members of the Royal British Legion's bunting team fly the flag

Bunting to stay up for whole summer

THE bunting in Axminster town centre will stay up until the end of summer, it has been confirmed.

Put up in time for the Queen's Diamond Jubilee, the bunting became a hit with many people in the town.

Both Axminster Town Council and Axminster Chamber of Trade have since expressed a desire for the bunting to stay up.

Former Axminster mayor Mervyn Symes volunteered to lead a bunting team as part of jubilee celebrations.

With the help of a contribution from county councillor Andrew Moulding's locality budget, an amount of bunting was provided to get the project going.

Local businesses chipped in to provide more bunting and assistance in various ways.

By Anders Larsson

anders@tindlenews.co.uk

A team of volunteers from the town's Royal British Legion (RBL) branch helped Mr Symes to put the bunting up.

Mr Symes praised the RBL volunteers and said: "If it wasn't for their help we would have struggled."

He also explained that the bunting will stay up until the end of summer, providing the fabric is sturdy enough to last the distance.

Mr Symes explained: "It was always the intention to keep it for the summer period."

Indoor picnic for mums and toddlers

CHILD minders and their charges - from Axminster and surrounding areas - met up to celebrate National Childminding Week.

The aim was also to promote home-based child-care and the get-together was organised by specialist child minder Juletta Obudo.

Her plan was to hold a picnic and games on the playing fields in Kilming-ton, but the wet weather forced a change of plan and the cricket pavilion was used instead.

Juletta didn't appear too downbeat, and said: "The theme is out and about, but the weather put us in."

"If fraudulent activity is suspected we take swift action and investigate fully, ensuring that victims of fraud are refunded where necessary.

"We would urge anyone with any concerns about their account to contact his or her bank."

None of the banks would speculate on the amounts involved or say which cashpoint they thought had been tampered with, saying investigations are ongoing.

There were three reported instances of cash being fraudulently taken from the ATM cash machine at Tesco in Axminster last year.

'On top of the world' after hazardous bike ride from Lands End

INTREPID Martin Painter was battered by strong winds, rain and came alarmingly close to fast going cars on busy roads when cycling from Land's End to Axminster.

The 20-year-old Axminster resident made it back in one piece, though, and said: "I felt on top of the world when I rode into Axminster."

He started his quest on Tuesday, June 12th and made it as far as Truro, where he camped in a farmer's field.

The second day took him to Plymouth, where stayed at a friend's house before setting off for Exeter on day three.

This proved to be the toughest day as traffic was relentless and too close for comfort.

But he managed to reach Exeter without serious incident and camped overnight.

His fourth day - Friday, June 15th - saw him head for Axminster, which he reached at about 12.30pm.

When asked if the strong wind had worked in his favour, he said: "Not one day was it on my side, and it really hin-

As previously reported, Martin will travel to Burkina Faso in Africa this summer, having been selected to help United Nations Association of International Service.

This is a charity which protects and promotes the rights of marginalised people in developing countries, and Martin staged the Land's End cycle ride as a fundraiser for his trip to Africa.

He thanked everyone who had supported him, including Axminster Care Service, which pledged £200.

Volunteer needed to run the memory cafe

AXMINSTER'S memory cafe for people with dementia is looking for a volunteer coordinator to take over the running of the service.

Peter Smart, who has run the memory cafe at the Senior Citizen's room in Church Street for the past two years, is stepping down from the role to concentrate on other work commitments.

The cafe, which meets every second Tuesday of the month, has around 10 regular attendees.

The meetings present opportunities for people with dementia and

their carers to meet with others in similar circumstances and to share their experiences.

Axminster's memory cafe, receives funding and training from Devon County Council.

Peter and volunteers from the memory cafe have a stand at the Axe Vale Show on Saturday and Sunday, June 23rd and 24th.

The next meeting is on Tuesday, July 10th. For more information about the coordinator role, contact Peter on 01297 35144 or speak to him at the Axe Vale Show.

News briefs

She is survived by her husband and two sons, Jamie and Adam.

The funeral service will be held at Axminster Parish Church at 2.30pm on Tuesday (June 26th).

Reunion at village school

KILMINGTON Primary School is to hold a reunion and celebratory event to mark the retirement of key members of staff and the chair of governors after many years service.

The event will be held in Kilming-ton Village Hall on Friday, July 6th from 7pm - 10:30pm.

There will be a licensed bar, buffet supper and music.

Former pupils or members of staff who would like to attend should contact Catherine Wilson on 01297 33683.

Safety chevron stolen at Shute Pillars

SHUTE Parish Council chairman Peter Rugg is appealing for information after a chevron, alerting motorists to a sharp bend in the road, was stolen.

Mr Rugg told *Pulman's View* that he was thrilled when Devon County Council (DCC) installed the chevron in 2011 following an accident where the Shute pillars were turned into a pile of rubble after a car failed to ne-

gotiate the sharp bend.

Shute Parish Council lobbied DCC for something to be done and at the time suggested an added chevron, which is precisely what it got.

Mr Rugg said: "The chevron has really been helping alert drivers to the sharp bend in the road. The council had serious concerns that someone may get seriously hurt so we were thrilled when a new chevron

was put up. It is very disappointing that it has now disappeared."

The road sign was taken between Friday, June 15th and Sunday, June 17th.

Anyone with information about its whereabouts should contact clerk to the council Mrs Thomas on 0129734304 or chairman Peter Rugg on 01404 831279.

News briefs

THE prize money won by an Axminster project will be given to the football club involved.

Millwey Rise Football Club and Axminster Town Council worked together on the former's relocation from one side of Chard Road to the other.

The move meant the club could welcome more players to its youth section, and the project subsequently triumphed in East Devon District Council's Queen's Diamond Jubilee Awards (Town Youth Award category).

Apart from a certificate, a cheque for £100 was also part of the award package. When the town council met on Monday, June 11th, it was agreed that the money should be allocated to Millwey Rise FC's youth section.

THE Axminster branch of The Guide Dogs for the Blind Association is seeking volunteers.

Volunteer development co-ordinator Amanda Bealing said: "There are so many ways to volunteer. We're looking for fundraisers, volunteer drivers, branch secretary, organisers, collection box coordinators.

"Volunteering is fun and rewarding – you know you are helping to make a real difference to the lives of blind and partially-sighted people."

A spokesperson for the association added: "Guide dogs are not the only service we provide. We also supply other mobility services such as white cane training.

The service receives no government or social services funding. Potential volunteers should visit www.guide-dogs.org.uk call 0845 371 7771 or email volunteer@guidedogs.org.uk.

TIC manager to step down

AXMINSTER Tourist Information Centre (TIC) manager Sarah Crook has handed in her notice and will leave at the end of August.

During her five years at the helm, she has been credited with adding more services and longer opening hours to the centre.

The TIC is run by Axminster Chamber of Commerce and her resignation was officially announced at the chamber's monthly meeting on Tuesday, June 12th.

She said: "I wish to inform chamber formally that I have resigned from my post as manager of the TIC and will be leaving at the end of August.

"I do this with much regret as I have thoroughly enjoyed working with the chamber for the last five years and I am very grateful for the kindness and patience that I have received.

"However, I would like to reduce my work commitments to be more flexible with my time.

"Also, with the proposed move to new premises and the exciting development of the heritage centre, this seems an appropriate time to hand the position over to some-

one with a fresh outlook and increased energy and enthusiasm.

"I do hope the TIC will continue to thrive and receive the valuable support of the chamber when it enters a new phase within the heritage centre."

The TIC is currently open from 10am-4pm (Mondays-Saturdays) and the most recent statistics show it had 1,026 visitors in May.

Chamber chairman Shane Morgan was unable to attend the June meeting of the chamber, but told

Pulman's View: "We want to express our sincere thanks to Sarah for five wonderful years of service to the TIC.

"Sarah, through her skillful leadership, has built up a team of knowledgeable staff and has put our TIC at the very heart of our community.

"She will be sorely missed."

Vice-chairman Duncan Colvin told the departing TIC manager: "It will be tough to find someone with your enthusiasm for Axminster."

■ BLOSSOM: Axminster Flower Club chairman Doreen Booth presents Marlene Sharpe with the Joan Loader Prize for Best in Show under the supervision of judge Nicky Heal and the winning arrangement at Axminster Flower Club's annual open day on Friday, June 8th. A total of 11 flower arrangements were entered over three categories. The open day was held in United Reformed Church in Chard Street and the competition was judged by Nicky Heal of The National Association of Flower Arrangement Societies. In his official notes he described Marlene's entry as "brilliant". Marlene, who entered the advanced category, said: "I'm very happy. It's nice to take part in these events." The novice category was won by Patsy Stephens whilst Jackie Dadds triumphed in the intermediate category

Promising start to liner appeal

THE Flamingo Pool Liner Appeal in Axminster got off to a promising start when Axe Vale Festival pledged £10,000.

When opened in 1998, Flamingo was one of only a handful of stainless steel pools in the country. The design means any underground problems can be spotted easily and the pool itself is lined and not tiled.

But the liner is in need of replacement, which will cost in the region of £55,000. The MP for Tiverton and Honiton Constituency, Neil Parish, will visit the pool on Friday, June

22nd and officially launch the appeal.

Axe Vale Festival makes an annual financial contribution towards the pool, but recently decided to make an extra donation of £10,000.

Festival chairman Claire Morgan said: "The festival was set up to support the pool. We always try to support the pool when we can and this grant is in addition to our annual contribution."

Pool manager Steve Buxton was very grateful and said: "It is a great way to kick off the appeal."

Weather worry for the festival

AXE Vale Festival's new chairman is closely following the weather forecasts.

Claire Morgan took over from long-serving stalwart Ron Cross after last year's show and she is well qualified, having attended every one of the previous 17 festivals in one capacity or another.

But despite her aptitude for the role, there is nothing she can do about the weather.

Speaking to *Pulman's View* on the same day as the Environment Agency issued another heavy rain warning – Wednesday, June 13th – Claire admitted that the wet weather is a serious worry for the festival team.

This year's festival is scheduled for June 23rd and 24th at the show-ground, and Claire said: "People should remember to bring their wellies or other suitable footwear just in case of inclement weather."

Whilst far from ideal, wet weather during the festival can be managed with suitable clothing – just like in 2007.

But what organisers are extra keen to avoid is wet ground when exhibitors start to arrive during the days prior to the event.

This is because the ground could be churned up and cause all sorts of problems during the festival itself. On a more positive note, the show is an important fundraiser and has donated £300,000 to local worthy causes over the years.

Claire said that the number of exhibitors is on par with last year's figure at just over the 400-mark.

One stall will be occupied by members of Devon Dumplings, a group of mostly local ladies who have put to-

gether a calendar for next year.

Led by Axminster resident Jackie Swarbrick-Silver, the 12 dumplings have been photographed for a military pin-up calendar in aid of a charity named Soldiers Off The Street.

The calendar will be officially launched at the festival and more information is available online at www.devonshiredumplings.webs.com.

From a new attraction point of view, Pecorama will bring a steam train and build a straight 150-ft railway with a station at each end.

Axminster Tool Centre is celebrating 40 years of trading and will have a marquee at the festival.

Claire is grateful to the company for having targeted its customers with a mail shot and, thereby, generated ticket sales from places all over the country.

More festival info is available online at www.axevalefestival.org.uk.

■ FESTIVAL LEADER: Claire Morgan does not want rain

Team raises cash at supermarket

■ ON DISPLAY: Team members promoting their project at Tesco's Axminster branch on Saturday, June 9th

A TEAM of young cyclists managed to raise about £270 towards a worthy cause when packing bags, selling competition books and presenting a project at Tesco's Axminster branch on Saturday, June 9th.

The team consists of 11 Year 10 students from Axe Valley Community College, entered for the 104-kilometre Dartmoor Classic Cyclosportive 2012 on Sunday, June 24th.

As previously reported, it is not only a physical challenge as there is a fundraising element involved.

The students have worked with Rotary Club of Axminster to set up a competition in which people can guess how long it will take

the team to complete the challenge.

Competition books were on sale at their Tesco stall, along with information about the challenge.

A representative from their chosen cause, Westbank Young Carers (WYC), was also present. WYC is based in Exeter and provides a range of services for young carers.

Team manager and teacher Mark Beacham also managed a college team at last year's Dartmoor Classic.

He is looking forward to this year's event and said that the last training session was scheduled for Sunday, June 17th – when team members were set for a

leisurely ride from Axminster to Teignmouth.

Team members are also planning to make an appearance at the Axe Vale Festival show arena in the morning of Saturday, June 23rd, the day before their challenge.

Rotary Club of Axminster youth officer John Brennan said: "It has been a pleasure to work with them. They are very enthusiastic."

The team consists of Jordan Greig, Annabel Jackson, Luke Sweetland, Ashley Driver, Casey Duffey, Hannah Bond, Jonny House, Matt Chenery, Henry Richards, Will Grant and Alex Phillips.

News briefs

A NEWLY-CREATED garden area has proved a big hit with children at Rainbow Under Fives' Playgroup in Axminster.

The area is used to grow vegetables and fruit, enabling children to learn first-hand where food comes from.

Playgroup manager Clare Male said: "The idea to develop the area came from an activity last year when the children planted potatoes and courgettes in buckets."

"They enjoyed it so much and were thrilled and very excited when they dug up their potatoes."

"We wanted to provide a proper area they could grow plants and seeds in and provide child size gardening tools the children could use."

CHRISTMAS will come to Axminster on December 7th in the shape of Festive Friday.

Festive Friday has established itself in the Axminster events calendar and brings Christmas-themed activities and attractions to the town centre.

It is organised by The Rotary Club of Axminster and more details will be announced nearer the time.

THE AXEMEN motorbike club, based in Axminster, will be hosting its first music and bike show in Whitchurch Canonorum, near Charmouth.

The show will be held on Friday, June 29th and Saturday, June 30th at the Five Bells Inn with live music from Snatch Tractor and a rock disco on the opening night.

Money raised will go to the Devon Freewheelers, the NHS approved out of hours emergency response courier service.

Junior Rangers underway

By Laura Goldsbury Noy

laura@pemedial.co.uk

THE Junior Rangers after-school club has got underway at Seaton's nature reserve.

The club, based at the stunning Wetlands, is being run by Rangers from East Devon District Council and a dedicated volunteer.

Children filled all 15 places

available with the club in less than two weeks.

Led by EDDC Education Ranger Meg Knowles, the Wetlands Junior Rangers get to-

gether every week on the Axe Estuary Wetlands for several hours of wildlife inspired fun.

Over the next 10 weeks the children will be engrossing

themselves in every aspect of the Wetlands reserve, from getting up close and personal with bats, voles, owls and insects, to creating art work out of natural materials harvested from the around the reserve.

The launch of this new after-school club has been received with great enthusiasm by families.

Although recent rain ensured a rather wet start to the club, this didn't dampen anyone's enthusiasm.

Armed with wellies and water-proofs, the Junior Rangers are able to enjoy the reserve whatever the

weather.

Leader Meg Knowles said: "As well as a fantastic opportunity to spend time outdoors in a beautiful place, the Wetlands Junior Rangers club is a brilliant chance for children to build a great relationship with their local wild space."

"I'm extremely grateful to Anna Mitcham, who is a regular volunteer with the Countryside service."

"She is committing her time and energy towards working with the group every week until the club finishes at the end of July."

Caterpillars show off artistic flair

CHILDREN from Colyton Caterpillars Pre-School showed off their artistic talents on Thursday with a morning of art activities. Creative art is a big part of the Caterpillars' ethos and fine arts teacher Monika joined the children to encourage them to experiment with all forms of art. The toddlers created abstract paintings with paint-covered balloons, tried using pastels, chalks on the outside playground and even painted their own take on Vincent Van Gogh's Sunflowers.

■ THE Inner Wheel Club of Seaton hosted its District Zone Rally in Colyford Memorial Hall on Thursday.

About 60 members of Inner Wheel clubs in District 17 attended to listen to a talk by Bill Mitchell, an ambassador for charity Send a Cow to Africa.

The ladies heard how the charity buys top quality livestock and teaches recipients about animal welfare and sustainable, organic farming.

Mr Mitchell was given a donation from each of the attending clubs, totalling £215.

This was followed by afternoon tea of sandwiches, savoury snacks and cakes, served by Connie Hartnell and helpers, and a raffle.

country scene

Written by countryside correspondent
TONY JACKSON

My week in Namibia

TO ARRIVE back in UK after a week of cloudless skies and blazing sun has been, to put it mildly, a shock to the system!

For some 40 odd years I have travelled to and fro to Africa, from the Sudan, to Zambia, Zimbabwe and South Africa, but had never before visited Namibia.

It was an extraordinary experience for here, in a country of 850,000 sq km, the population is a mere two million.

Indeed, Windhoek, the lovely and bustling capital city, has a mere 210,000 folk. English is the official language, though German is widely spoken, and one drives on the left.

The roads are as straight as rulers and the distances may be vast, but the passing scene is always fascinating. On one 200 mile plus road I saw dozens of warthogs grazing on the verges and totally oblivious of any traffic!

I spent a fascinating week in a tented camp in thick, isolated mopane bush, surrounded by plains game, leopards, cheetahs and lions.

The conservation and management programme throughout the country is very impressive. In the Etosha National Park, the third largest in Africa, there are now some 20,000 elephants and over 1,000 black rhinos are roaming the wild.

Bird life is abundant and while I can identify the more obvious such as the glossy starlings, hornbills and some vultures, the multitude of weavers and Little Brown Jobs leave me baffled.

Equally baffling, back home, is the fact that "my" swallows are not nesting and only seem to appear on odd occasions. This year something has seriously disturbed their pattern and I can only think it has been the bizarre weather pattern... a hot sunny April followed by endless rains, floods and cold winds.

However, one reader, Brian Vaughton, writes to tell me that he has "something" nesting in an odd location... an electricity meter in an outside box! He recently opened it to discover a five inch deep nest of moss, the home, he suspects, of a mouse which had gained access by following the cables into the box. Fortunately, the inmate had chosen not to gnaw through the wires!

On a more serious note Devon Wildlife Trust has launched a campaign to recruit 'Friends of Marine Conservation Zones'.

Some 127 such zones have been recommended to the Government for protection, of which 16 are found off Devon, including the rocky reefs of Lyme Bay, the coastland of Hartland Point to Tintagel and the Tamar Estuary.

These are wildlife rich sites but all are suffering degradation and need, urgently, to be protected. However, the Government has now stalled designation of any sites until 2013, claiming that there is a lack of evidence and, worse still, there are indications that only a small number of sites will eventually be designated.

Typical Civil Service lack of imagination or is it perhaps pressure from interests who would prefer the status quo to remain? Either way it is intolerable and must be overcome.

Every one of the 127 sites urgently needs protection to cover habitat and species. Wildlife Trust sites on land are fully protected but it seems that those designated beneath the sea are out of sight and so out of mind.

The DWT hopes to inspire individuals, companies and organisations to stand up for the marine sites around Devon. It took more than 34 years to get protection for sites on land and it is essential that the threatened marine sites do not have to wait as long before action is taken.

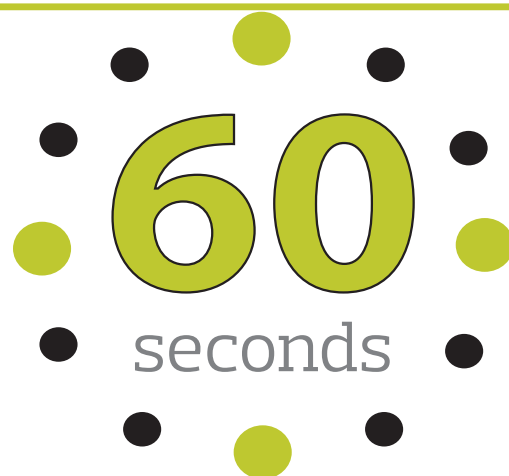

To find out more about local recommended Marine Conservation Zones, and to sign up to be a Friend, go to www.wildlifetrusts.org/MCZFriends.

Once again, a sensible and urgently required conservation scheme is being thwarted by Government intransigence and, bluntly, stupidity!

To contact Tony Jackson, write to: *Pulman's View from*, South Street, Axminster, Devon EX13 5AD or email wardjackson@tiscali.co.uk

The views expressed are those of the columnist and not necessarily of the newspaper

SPORTS fanatic Ben Dobson, from Honiton, has set up his own personal training business, BD Training.

At just 22-years-old, Ben has a wide range of sports-related qualifications, varying from being a black belt in taekwondo to a badminton coach, plus a degree in sports coaching and development from Newport University in Wales.

He formerly attended the Woodroffe School in Lyme Regis.

● **WHY did you decide to become a personal trainer?**

I became a personal trainer to help people and make them feel good about themselves. I'm really good with people, which I like to emphasise.

● **WHAT services do you offer?**

I work with people with a wide range of ages and varied skill levels. I also have a wide range of qualifications, I'm a black belt in taekwondo, I coach badminton, I'm a weight trainer. I can offer weight loss programmes, toning, nutrition and general well-being.

For example, one client had not done any exercise in her life. She was 23 and a size 16 and within nine weeks with me she dropped to a size 12 through exercise and an eating plan.

I have cheap rates because I'm just starting out and I offer a free consultation with no obligation to come back. The hardest part is putting on the trainers.

● **WHAT sports do you enjoy?**

Everything really! Rugby, rock climbing, surfing, basketball – just so many.

● **WILL you be watching the Olympics and which events are you looking forward to?**

Yes, I'll definitely be watching them. I'm a sprinter myself so I'm looking forward to the 100 metre sprint and the relays. I love the aspect of having the Olympics in the UK this year.

● **WHAT are you other personal interests?**

Just any sport really, health and fitness. I'm also looking to set up classes during winter in East Devon and in Lyme Regis.

● **WHAT do you like about living in East Devon?**

The space – you can go wherever you want, whenever

you want. The availability of resources is also quite varied. I'm a country boy really.

● **WHAT would you change or add to the area if you could?**

I'd like to have a larger leisure centre with better sports facilities. Also stuff for young people to do to help them get into sports.

● **WHAT three items would you want if you were stuck on a deserted island?**

A penknife, my rugby ball and other people.

● **WHERE is your ideal holiday destination and why?**

New Zealand because you can ski, surf and go to the beach.

A joy to discover members' stories

ONE of the joys of belonging to a Probus Club lies in discovering the amazing lives lived by many of the members.

Members of Axminster Probus Club have included wartime pilots, aircraft engine designers, aides to royalty, doctors, dentists and a number of engineers.

In lieu of the normal semi-professional speaker, the June meeting was addressed by two new members who gave fascinating glimpses into their lives; both were mechanical engineers but had traced out very different paths.

David Ferguson was born in Newquay, Cornwall, but had moved to Torquay before he reached his teens. From there he joined an engineering firm as an apprentice, gaining an HNC in aerospace.

On marriage he lived in a one bedroomed flat, sharing a bathroom with two other families. His possessions were a chair and a bed.

He became interested in the Trade Union movement and rose to be a full-time official and involved with meetings at Ministerial level.

He gave no information but the signs were that he was not on the hard left in union affairs. After a number of years he decided to

change tack and became a market trader.

The business expanded but he overworked, suffered a nervous breakdown and saw the break-up of his marriage.

In an effort to "get his life back" he turned to Buddhism and meditation. In time he opened a retreat in the Blackdown Hills as a day-centre.

There was no charge but he suggested that a gift of food would be welcome.

That idea had to be dropped when he became inundated with eggs. He has since opened a retreat in Austria and has world-wide clients, one of whom he married.

Now retired, he writes books though he says that they are "not to everyone's taste".

Fortunately his unusual life did not destroy his sense of humour and he had his audience laughing throughout.

The second speaker, Terry Fisher, was likewise full of humour but had led a very different life.

He, too, took up a mechanical engineering apprenticeship. After 10 years he changed his job and went to Sweden. Business in France saw a need for an interpreter who turned out to have no technical knowledge.

The meeting was adjourned while he did a half-hour crash course in technical French. Following that period he changed jobs again to join Babcock Robey in the manufacture of boilers.

This was followed by another move to a manufacturer of domestic boilers in Sheffield where he was to revamp the entire system.

With a forecast of diabetes, Terry admitted that he had decided to eat and drink well while he was still able but by the time he had been smitten and had taken up yet another position he found that stress and diabetes did not mix and resigned.

Leaving Sheffield on the Thursday he took over an empty shop in Axminster and opened up for business the following Monday. Without previous experience this must have been a case of leaping from the frying pan into the fire but he seems to have survived into retirement with both his humour and his diabetes in good shape.

The Axminster Probus Club for retired and semi-retired business and professional men meets on the first Tuesday of each month at the Kilmington Cafe, Bistro and Motel on the A35 Gammons Hill.

For details call 01460 220528.

June meeting held in glorious sun during a break in the rain

THE June meeting of Musbury and Whitford WI was held in the beautiful garden of Bea Sammon's, on Tuesday, June 12th and members were lucky that they had a sunny and bright afternoon.

Business was kept to a bare minimum. The club took time to remember Ngairé Tesoriere, who passed away recently.

Musbury and Whitford has won the Silver Salver, at the group meeting, held in Beer, so that was held aloft, thanks were given to Valerie and her team.

Next, the group is aiming for the Axe Vale Show. Birthday posies were given and apologies taken.

Final arrangements were made for the visit to Yellingham Farm, in July.

The ladies welcomed a new member Barbara Thomas. Bea was thanked by new president Beardsly, and presented with some flowers.

The next meeting is on Tuesday, July 10th at 7.30pm at Whitford Village Hall. The subject is My Life with Ducks. As usual all are welcome.

WI talk on Jewish family

MY Jewish Family, was the title of All Saints Women's Institute June meeting.

The speaker was Jane Silver Corren, she brought along a collection of festival artefacts for members to look at.

She started her talk by teaching the group a song which they all enjoyed singing.

Many Jewish families have Mezuzah's in their houses, these are little ornate boxes containing prayers.

They are placed at an angle on the doorpost of the front door and in some households these boxes are on every doorpost except the bathroom.

Jane explained that there are two types of churches, Liberal and Orthodox, in the Orthodox church the men and women sit separately, the prayer books are in Hebrew and you start reading from the back of the book.

The ladies finished the evening with several fit members learning

and joining in a traditional dance.

It was a very interesting and informative talk and the women learnt many new things about the Jewish religion which they were unaware of before.

The next meeting will be at All Saints Village Hall, on July 3rd at 7.30pm.

The speaker will be Graham Foreshaw speaking about Lyme Regis Harbour.

New members are always welcome.

Radio legend Cash at lunch club

THE Fairwater Head Hotel in Hawkchurch has just played host to its monthly lunch club meeting and this month's special guest was radio legend, Dave Cash.

Mr Cash told a full house about his days on Radio Caroline and Radio London and how he moved on to be one of the first broadcasters on Radio One when it launched in 1967.

His talk covered a number of stories about his days on the North Sea and how he sees the way we listen to the radio changing over the next few years.

Proprietor of the Fairwater Head Hotel, Adam Southwell, said: "The lunch proved very popular. We could have sold the places over and over again. It was so strange hearing the different stories from the other side of the mic. His tales about his early days at the BBC were very funny and showed how the world has changed since the sixties."

The Fairwater Head Lunch Club meets once a month, usually on the first Friday. Its next speaker is John Risdon who will talk about ghosts and legends on Dartmoor.

Speakers lined up for later this year include the former MP and Strictly Come Dancing star Anne Widdecombe.

■ **RADIO star Dave Cash with Adam and Carrie Southwell, proprietors of the Fairwater Head Hotel**

■ **CHILDREN** from Musbury suffered severed fingers, cuts, nose bleeds, bruises and even vampire bites, but there was no cause for concern as it all happened during a special effects theatrical makeup workshop, hosted by Back to Broadway Musical Theatre Schools. Professional make-up artist Kate Griffiths visited Musbury Village Hall to tell the children facts surrounding the gruesome scenes depicted in television drama,s such as Holby City and Casualty. She then demonstrated the methods used to create the effects of different injuries. Back to Broadway will be welcoming Kate back to Colyton Grammar School, where they will be running a musical theatre summer school at the end of July. If anyone is interested in being part of the summer school week call 01963 365898. Left, some of the children trying out the special make-up effects

News briefs

Flower Festival

WALKS of Life is the theme of Musbury Flower Festival at St Michael's Church Musbury Flower Festival, to be held from Friday, June 29th to Sunday, July 1st.

Kay Short, who helps organise the show, said: "Musbury's last flower festival was six years ago and this one promises to be something different."

"Flower arrangements will feature shoes, boots, hats and bags from all walks of life, from a christening to a wedding and even a day on the beach. "We are in great need of funds just to keep the church building going week-by-week as well as other expenses, so the proceeds of this event will be a great help."

The church will be open for viewing from 10am to 5pm daily.

Cream teas will be served on Saturday and Sunday from 3pm- 5pm, with a cake stall on the Saturday and a raffle on the Sunday.

The Festival will culminate in a Songs of Praise service in the church on Sunday at 6pm.

Vote was not worth our while

■ I FEEL it necessary to comment following the recent town poll and subsequent decision by Honiton Town Council to continue with the community centre project.

I like 1,122 others exercised my democratic right and cast my vote at the ballot box. Whether or not I was in the minority winning

group or the majority losing group is not the issue I wish to raise.

My concern is that given the decision taken since the poll, I like the other 1,122 might as well not have bothered to stand around waiting for three quarters of an hour to cast a vote.

In fact the opinion of those who made the effort were worth the same as those who didn't bother.

Did those who took no part know something I didn't?

Obviously the views of the 680 no voters were worth nothing despite being in the majority for the second poll running and the views of the 443 'yes' voters didn't matter either as no one intended to take any notice of the poll and always intended to resolve the matter at council committee level.

The outcome is that the decision to proceed has not been decided by the electorate but by 12 councillors voting in favour.

This is no way to encourage people to take an active part or interest in local politics or future community projects.

I have the utmost respect for those willing to give up their time and put so much effort into trying to improve local community facilities and generally are deserving of the public support.

However that continuing support must be in question when democracy takes second place in the decision making process. I have always taken part in elections and whatever my personal view have always believed in the system that the majority

should decide.

Obviously this does not apply where the Honiton town council is involved.

I sincerely hope that future decisions are not taken based solely on individuals personal wishes.

Would the council's decision have been different if the majority no vote have been by several thousand?

I applaud all those who did cast their vote and I hope that in future it is worth our while in making the effort.

■ LAST week a correspondent sought to put the blame for the recent Honiton town poll fiasco onto the "mostly elderly citizens (who) voted".

This assertion, based on no evidence at all, is a bit rich considering that an additional 87 per cent of the townspeople (including the young and middle-aged) declined to support the project.

There is a well proven military axiom which says "reinforce success" and "abandon failure".

The June 2010 town poll was a

■ MR John Burgess in his open letter included: "A toy poll called by 10 electors, in which mainly older citizens voted, does not destroy the democratic mandate of Honiton Council and East Devon District Council".

Ten electors is the number required by the current rules and even if it is assumed that all 23 of those who voted for the poll at the meeting, including myself, opposed the Beehive project, that view was shared by the majority who voted in the consequent 'toy poll' despite a strong 'vote yes' campaign.

Town poll results are not binding but provide the only means allowed by Local Government Acts and not superseded by the recent Localism Act, whereby an elector in a town or parish can vote on a specific relevant subject, without other factors clouding the issue, if they are able to reach their polling station.

A proportion of electors are unable to reach polling stations and rely on postal or proxy voting not available under town poll rules and this will

failure. The plan was not then amended to include a broad consensus of views so that the May 2012 poll was another predictable failure.

The tragedy of this saga is that in October 2011 there was the opportunity to make a case for a return to Lace Walk with all the resulting cost savings and benefits.

This chance was lost. The revised plan would have won a town poll hands down.

R Nix
by email

have reduced the numbers voting but both 'yes' or 'no' would have in theory been equally disadvantaged.

However, if Mr Burgess is correct and it was mainly older citizens who voted, it could have been the 'no' vote that suffered the most due to the lack of facilities available in other polls.

Even though Mr Burgess does not consider town polls to be important, that view was not shared by all Honiton residents.

I believe that Honiton's town polls are a particularly relevant democratic gauge of public opinion, as not only is the Beehive project council policy but also because all the councillors have either been deemed to be elected as a result of uncontested elections in 2011 or have been co-opted since then as a result of contested co-options, a process at which only existing councillors and not the electorate can vote.

These are my views and not those of Honiton Town Council.

Jubilee thanks

■ SEATON Town Council are to be congratulated on organising a really extensive, inclusive and highly enjoyable Jubilee weekend.

The range of attractions was impressive, the number of other organisations they included and worked alongside was a record and the final result (culminating in a truly wonderful firework display) was a treat for all the people of Seaton as well as for those visitors who were lucky enough to be in the Town.

To those councillors who put in so much of their time and effort both before and during the weekend I would like to say "thank you" and congratulations on a job well done!

■ GARTH and I have always known that Beer is a pretty amazing village.

We have felt privileged to be able to spend so much time here but last weekend we had a group of friends from home (Gloucester) here in Beer.

They couldn't get over how it all came together on Sunday afternoon and what an amazing street party it was - great music, great food, great fun!

We know how much planning has to go into creating such an event and we, on behalf of our Gloucester friends, would like to thank you all. We had a fab time.

Courtesy Care

COURTESY Care (Formerly known as Needy Care) has moved from Queen Street in Seaton to a new, more spacious property in Chard Street, Axminster. Even though they are now in Axminster Howard still delivers to Seaton and the whole East Devon area, rest assured you needn't go without.

The new shop has ramp access for wheelchairs and mobility scooters so you can easily get in to see them. Courtesy Care is your local stockist that can meet all your sales, repair, servicing, and hire needs. It's

not just brand new stock either in the mobility side of the shop; if you're on a budget, reconditioned scooters, which will run as good as new, are available too.

Howard is a local man and has been servicing scooters for the past six years, having previously been a mechanic for larger vehicles. He offers a very personal service, offering to pick up and drop off your scooters, as well as lending you one free of charge if you rely on one while he repairs yours. The service doesn't end there either, if you

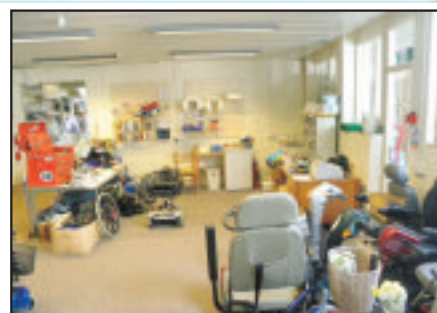

breakdown, give him a call and he will come and help you out.

If you're only after a scooter for a day, hire is also available to help you on your days out. If you then decide that you love the scooter you hire so much that you want to keep it, they will take the hire cost off the total price!

Don't forget that Courtesy Care is your local stockist for all the equipment and aids to make your home life easier. Daily living aids ranging from bathing to incontinence products are always in stock. If you can't find what you

need, Courtesy Care will order it for you, there's not much that they can't get hold of.

Courtesy Care also provides care in the community, with a team of 34 fully qualified, CRB checked carers. They have both male and female carers that are all very experienced. Even if you only need a carer to look after a loved one for a few hours while you pop out, the team are there to help you. Whether it's a one off for a few hours, or full time care you are looking for, give Courtesy Care a call now.

Macsorsons

MACSORSONS stock the finest fresh fish caught out of Lyme Bay and from Brixham. The stock changes daily depending on the weather and what is available. They also cook and prepare on the premises fresh crabmeat and lobster from Lyme Regis.

You can find our mobile shop out and about at all the local markets with the trailer selling fresh fish. They visit many of the local markets including Axminster, Bridport and Langport.

Things haven't changed much over the years. Modern refrigeration systems means the fish can be kept fresher for longer and due to public demand, there is much more preparation of the fish such as filleting and skinning.

This summer pop down to Macsorsons for all your fresh fish and seafood and you'll see how good fresh local fish caught by experts can be!

Old Lodge Boarding Kennels and Cattery

THIS is a small establishment catering for both dogs and cats, which has been owned and run by the Chapman family since 1968. We aim for a consistently high standard of care, and dogs and cats which board here are known by name and treated as individuals. Over the years we have looked after generations of pets from families who have become personally known to us. All pets must be fully inoculated, including infectious bronchitis (kennel cough) vaccine for dogs. Your veterinary surgeon will advise you. Please bring your vaccination certificates when your pet arrives at the kennels. All kennels and cat houses are heated, with secure outside runs. A very large grass area, which is securely fenced, is provided so that dogs may have proper exercise.

NOSTALGIA THROUGH THE EYES OF PULMAN'S FOUNDER

Evocative photos will stir the memory

IN last week's *Pulman's View* editor Philip Evans reported on the launch of a new book for Seaton and Axmouth, a joint collaboration between local historian Ted Gosling and Axmouth resident Mike Clements.

The book, dedicated to recently retired local photographer Colin Bowerman, who took many of the pictures, was published to coincide with the Queen's Diamond Jubilee and records the events and social occasions of Seaton and its nearest neighbouring village over the last 60 years.

It provides a unique insight into the life of the Seaton area over the reign of Her Majesty The Queen, not just the important civic occasions but many of the

Mr Pulman's DAYS GONE BY...

varied social events that make Seaton and Axmouth such a special place to live.

The photos are embellished by captions which draw on Ted's extensive knowledge of his home town and Mike's love for the village of Axmouth.

Published by the History Press in Stroud as part of their Britain In

Old Photographs series, the book, *Seaton and Axmouth Within Living Memory* sells for £12.99 and is available from Seaton Museum.

The book is described on the cover as "a wonderful and evocative collection of photographs from the past 60 years - a nostalgic album of days gone by, concentrating mainly

on the people of the area".

Over the coming weeks we will reproduce a selection of photos from the book, starting with one which appeared in the old *Seaton News* in 1971 featuring George Clare, chairman of Seaton Urban Council, trying his hand at table tennis at Seaton Youth Club.

Bought for £400- now worth £2 million!

LOCAL footballers came together recently to celebrate the many happy times spent at Sector Lane, the iconic home of Axminster Town Football Club who are preparing to move to a new ground in Chard Road.

They may well have mused on what a good investment Sector turned out to be, although those who made the decision might not have thought so at the

time. Acquired in 1921 for a sum less than £400, the pitch and surrounds, destined to become a housing estate, are now worth the cost of a new football stadium - about £2 million!

Interesting also to note that the famous old grandstand at Sector came from Roundham, near Crewkerne, where there used to be a horse racing track, and cost a further £150.

◆ This column is dedicated to the memory of George Pulman, founder of *Pulman's Weekly News*, first published in 1857, a forerunner to this newspaper, and author of *Pulman's Book of The Axe*.

Specialist Dementia Care in Exmouth & Devon

Give Your loved One The Gift Of A Fulfilling Life At Rose Lodge Care Home

Imagine the peace of mind you'll feel knowing that your loved one is getting the best possible care in a loving and understanding environment. Located in the delightful seaside town of Exmouth, Rose Lodge is the perfect place for people living with Dementia to experience the highest quality of life.

Caring for someone with dementia yourself can be tiring and often very distressing. Coping with someone whom you may have known and loved for years but who may now often fail to recognise you can be desperately upsetting and difficult to deal with.

Rose Lodge is an active and social home. We have found that people with dementia are generally happier when they are supported to be as active and independent as possible. Our weekly activities programme includes gardening, live music, drama, singing, crafts, a pub quiz, rambling, art, and trips out, as well as individual occupational activities.

So, moving into a home like Rose Lodge is the perfect way for you to give your loved one the best quality of life. In our 2011 relatives survey, all relatives agreed that Rose Lodge offers an excellent quality of care and that their loved one's wellbeing has improved significantly since they joined Rose Lodge. All of them said they would recommend Rose Lodge to their friends.

We offer DAY CARE, RESPITE CARE and RESIDENTIAL CARE and free trial days.

Jess is a jem at Jurassic Folk guest night

JURASSIC Folk Guest Nights are turning out to be real corkers, evenings of sublime music, and the June 6th session was no exception. Our guest from Norwich, a young lady called Jess Morgan, was an absolute gem. Tall and beautiful she may be, but these qualities are only a small part of the package. She writes songs of great individuality and sings them in a style totally her own which cannot be categorised. They cover all facets of human emotion and experience, happy, sad, funny, and she has the touch of the classic songwriter in the way that evocative phrases grab the mind and stick like a leech in the memory. Although comparatively unknown at present she is clearly destined for great things and the audience loved her.

Top class support that evening was provided first by another great songwriter, Robin Nancarrow, who's beautifully constructed songs and impeccable guitar are always a joy, and secondly by Axmouth's boy band, Hunt Gamble & Trezise, who sing with such force, gusto and sheer blissful harmony that it is no wonder that microphones tend to retire to a safe distance.

The next event is the Singers Night on Wednesday, June 20th and, as always, everybody is welcome but to ensure a spot it is advisable for performers to call first. Admission is free, and it all kicks off at 7.45pm at the usual venue, The Grove Nite Club, Seaton.

The next Guest Night on July 4th features the well known and highly regarded singer and guitarist, Paul Downes, and more information on everything can be found at www.eastdevonfolk.org or by phoning 01297 20064.

CARING FOR THE ELDERLY

Glory Days

AU-PAIRS for the elderly

**Are you elderly, living alone, needing a helping hand?
Have you considered employing a live in au-pair?**

Perhaps you thought Au-pairs are exclusively for children
Au-pairs are also suitable for helping elderly couples or singles.
Hundreds of active pensioners in need of companion/carers live happily with an Au-pair.
The Au-pair becomes a family member, they help in everyday life, so you can continue in your usual lives.
At night you're not alone, you live in your own home, day time an Au-pair can provide company.
An Au-pair can help with, light house work, washing, ironing, cooking, tidying, shopping, car driving and pet care.
Sadly an Au-pair is not a nurse and should not be required for medical purposes.
The Au-pair movement exists to arrange accommodation for young people from abroad.
Salary is paid weekly as "pocket money"
They will be provided with their own room, lighting, heating, food and friendship, in return for brightening the daily lives of lonely people who need reliable help and companionship.

THIS should now be a good time to get your driving out of the way. Your exams coming to an end more free time and hopefully more relaxed. Your complete full driving licence should be the icing on the cake!

Its full steam ahead for the Historic Vehicle Gathering, near Exeter

ORGANISERS of the Historic Vehicle Gathering which takes place at Powderham Castle, near Exeter, over the weekend of the 7th and 8th July, have confirmed that this year's event has attracted over 1,200 vehicle entries.

The annual Historic Vehicle Gathering which is organised by the Crash

Box & Classic Car Club of Devon, has been held since 1973 and attracts many vehicle exhibitors and visitors from across East Devon and Somerset. The event also helps raise funds for local charities, with the Force cancer charity being this year's chosen main beneficiary.

This year's rally will be playing homage to 50 years of the MGB with special displays provided by various regional MG clubs and individual entries. Every year since 2004 the rally has put on a special themed display commemorating the anniversary of either a particular marque or a specific model of interest. For this, their 39th rally, the Crash

Box Club decided to host a special gathering for Britain's most successful sports car.

The Crash Box Club itself will also group together individual entries ensuring that Powderham Castle will play host to one of the largest gatherings of MGBs in the South West.

Crash Box Club Chairman Mike Dalby said: "The MGB is one of the most successful sports cars of all time and it typifies the classic car scene. To be able to celebrate its 50th Birthday at our Historical Vehicle Gathering in July will be a highlight of the show".

The Modern Classics display for individual cars of interest built between 1980 and the early Nineties will be making a return, following its success with show visitors and exhibitors last year. The display which aims to show the appeal of more recent classics, has a number of interesting entries ranging from a late Ford Cortina Mark V to a 1980 Saab 99 Turbo, 1986 TVR

420 SEAC and several examples of the first generation Toyota MR2.

Other attractions include an auction of classic vehicles on the Sunday which is being run by Ottervale

Auction Company of Budleigh Salterton, the return of the 1891 Merryweather "Tehidy House" steam fire engine that has spent its entire life in Cornwall, and a full size

Formula F1 computerised simulator.

DIVISION D

Seaton v Honiton by Ben Morgan

SEATON made the short journey to Honiton not knowing whether any cricket was going to be played as previous discussions between the captains suggested not after adverse weather conditions.

After much discussion between both captains and umpires they agreed to start and Seaton skipper Ben Morgan lost the toss and was asked to bat.

Seaton lost John Waterhouse in the third over and on a wet track Ed Hunt and Steve Pritchard made it look relatively easy by playing sensibly and make a positive start.

Ed Hunt was dismissed for 18 and the visitors lost Mark Bray soon after. Seaton then lost Steve Pritchard who batted superbly for 31 and Mike Wheeler in two balls.

With Reid Mawdesly not staying around too long it was up to Matt Hancock and Ben Morgan to start the rebuilding process until Hancock misjudged a run and ran himself out.

Ben Copp joined Morgan and both batted well, timing everything but straight to fielders. Copp eventually was bowled by a yorker from the oppositions leg spinner.

Morgan and Copp put on a very important 40 runs for the 8th wicket following their 83 run partnership last week.

Morgan was then bowled for 27 by a ball that barely got off the floor. Number 10 and 11 Phil Collins and Joe Berry stayed at the crease until the end of the innings leaving Seaton on 162/9.

After a small rain delay at tea, Seaton began brilliantly in the field with Copp dismissing their opener on the third ball.

Collins and Copp bowled very well together and after 13 overs the hosts were on 12/1. Seaton then let the Honiton batsman get away but Morgan dismissed the other opener and after a very expensive first over from Joe Berry, he changed to bowl spin from pace and took two important wickets.

After another rain delay the game continued and Honiton's batsmen looked set. The conditions were getting worse and dangerous, and eventually - with the Honiton batsmen looking competent at the crease - the umpires called the game off for bad light and dangerous conditions leaving Honiton on 95/4. Morgan said: "The 11 points we gained takes us up to fifth, three points off second place, so it was worth the travel with only two and a half games being played in our league."

"Eleven points was good as I feel we didn't perform very well collectively and there are improvements to be made if we want to be looking at promotion."

"It is a very close league and every point is vital. We host Filleigh at Court Lane this Saturday and we don't know much about them but it will be an important game and we need to start scoring more runs."

DIVISION E

Uplyme & Lyme Regis v Whitchurch

by Steve Batey

UPLYME lost the toss and were inserted on a very damp and green track. Mark Batey and Rob Thom opened and saw off the first eight or nine overs and reached 30 before Rob played across the line and was given out - a slightly dubious decision.

Henry Perry then came in at three and lasted only a few balls before looping one to cover.

Steve Batey was next into bat and after a few difficult overs thought 150 would be a good score. Uplyme batted on for about 25 more overs (ten of them in light rain) and reached 111-2 (with 11 overs left) before the heavens opened for an hour and made it unplayable.

Next week Uplyme will try again at home to Tiverton. They expect to welcome back Adam Caddy and Jamie Toates; James Dunford is away. They feel confident about retaining their 17 match unbeaten run.

● RAIN also caused Uplyme 2nd XI's match to be abandoned. They were facing Axminster 2nds, with Uplyme on 25 without loss at the close of play.

boules round up

LAST Tuesday saw the Axe Valley Boules Singles Qualifying Night at The Kings Arms, Seaton, which thankfully avoided the rain for the once-a-season night where all teams in the league meet at the same venue.

Defending champion for the last two years Merv Joslin once again qualified for finals night, although not without a scare, being pulled back from 8-0 to 8-6 in the first game of the night, before running out a 9-6 victor.

Lamb Visitors' Peter Taylor won the closest match of the night with a 9-8 first-round win over league chairman (and past winner) Charlie Ziemann, but his run was ended in the second round by Mark Ward of Kings & Queens.

Basil Dean (Kings Jesters) recorded the first whitewash of the night with a 9-0 win over Harbour Fourplay, but unfortunately had to retire from his second round match with Mark Edworthy (Beer Club) with the

scores level at 5-5.

Golden Hind B's Gerard Wood quickly fell 4-0 behind in his first match against Eyre Court A, but pulled back to win 9-5 before winning an epic second round match with Nick Ostler (Ship Castaways) where the jack seemed to spend more time off the piste than on it.

Performance of the night, scorewise, goes to Graham Hayball of Lamb (mutton), who only dropped one point in progressing to finals night, followed by Stan Cropton (Kings Arms A) who only dropped three points in qualifying.

ON THE SPOT...

VIEW FROM Sport puts Kilminster CC's ROLAND STONEX UNDER THE SPOTLIGHT

Q How long have you been involved in the local cricket scene? Who have you played for?

A I've played for Kilminster for over 25 years. I also had short spells with Broadway and Barrington in the Somerset league when we lived in Ilminster a few years ago.

Q Name the three best players you played alongside so far and why.

A Pete Davies was a stand out batsman for Kilminster back in the day - I remember him sweeping Steve Palfrey (Devon and Whimble pace bowler) for six in a 20 over match. **James Kirkaldie** was a mercurial spinner who got out a lot of very good batsmen. In the modern era **Tom Gooding** always had lots of talent and is now starting to show it.

Q What's the best away ground you've played on?

A We are spoilt at Kilminster but **Blundells (Tiverton)** was very nice to bat on.

Q Do any games stick in your memory?

A I remember playing in a game at Sampford Arundel years ago when we (Kilminster) successfully chased nearly 350. More recently when I was skipper we somehow drew with Uplyme & Lyme Regis, helped by rain, to win the last ever Fox's East Devon League Division One title.

Q How would you improve things at Kilminster CC?

A Things are really good generally, we have a fantastic ground and a good happy bunch of players, although we seem to struggle to put out two teams early season. We could do also do with a good young spinner! In future we will need more members/players to take on roles within the club.

Q What is your top score/best bowling performance?

A I've had 120 odd in the league. It's a few years since I've bowled (back surgery ended that) but I think I did get a six-for in one game.

Q Name some young players we should look out for in the future.

A **Tom Gooding** - as mentioned above - and **Matt Rockett** could be a great all-rounder.

AXMINSTER OUTDOOR BOWLS CLUB with David Harris

THE Ladies had an excellent win at home to Lyme Regis (52-41) with a winning rink of Lillian Lovatt, Pam Hunter, and Chris Todd (25-5) whilst Phil Bolwell, Daphne Ryan, and Margaret Crompton had a creditable tie (15-15).

Owing to the dreadful weather this game was played on the indoor rinks!

Congratulations to Ann Clayton and Phil White who are now through to the third round of the County Pairs KO Competition after beating the Feniton pair of Lyn Everliegh and Glynis North (24-19).

In our mixed friendlies we were well beaten at home by Dunkswell (39-89) with no winning rinks. Having often previously reported that we always have close encounters we rather came unstuck on this occasion - quite a disaster but we still had a very enjoyable afternoon!

We fared better at home to Seaton in our next friendly (101-43) with winning rinks of Phil White, John Hill, Mary Preston, and Mike Preston (32-8), Norman Copland, Joan Quick, Ken Quick, and Margaret Crompton (25-13), Les Monk, Eve Cole, Pam Clark, and Pam Hunter (23-12), and Morrison Brown, Chris Todd, Alan Taylor, David Harris (21-12).

The men have not had much luck of late - first we narrowly lost at home to Heavitree (27-30) in the Devon Over 60s League with a winning rink of Morrison Brown, Brian Clark, and Bob Sherborne (16-12) before going out of the Top Club Competition (2-3 rinks) with Bob Sherborne (4-wood singles) and Andy Spillar (2-wood singles) winning their rinks and our pairs team of Steven Apsey and Frank Bridge losing narrowly (19-21) on the last end! Both teams deserve praise for playing the game in torrential rain and strong gales!

We then went out of the Foxlands competition to Feniton with both the home rink and away rink losing.

This time the men ran out winners and everyone enjoyed a barbecue after the match.

On June 8th our visitors were Wellington BC to play a four-rink mixed friendly, which Chardstock won 102-44.

On June 11th our visitors were a 12 men team from Madeira BC of Exmouth to play a four-rink triples match. The final score was 76-46 to Chardstock.

Six members of the men's section went to Pincas BC in Exeter on June 13th to play a two-rink over 60s match. The final score was 49-28 to Chardstock.

The following day 11 members of the men's section went to Phear Park BC in Exmouth to play a five-rink top

CREWKERNE SHORT MAT BOWLS CLUB

FENITON BOWLS CLUB with Roger Smith

THE men's team returned to form in their County Trophy match against Budleigh Salterton, winning on three of the four rinks by 85-60 to score ten points.

The winning rinks were: R Cooke, E Cox, D Evans & K Lovering 30-8; I Veitch, J Rolph, A Kury & S Dommett 21-15; and G Phillips, A Evans, Ro Clarke and R Smith 19-16.

They then lost their Top Club match against Seaton, losing in all five disciplines. However the high-

light of their week was a win against Axminster in the Foxlands competition by 57-25.

The winning rinks were M Eveleigh, A Smith, D Coyne & J Skinner 30-11 and I Veitch, R Cooke, D Evans & K Lovering 27-14.

The men's over 60s 'A' team defeated St Thomas A by 34-22 thereby securing six points. The winning rink was S Nevill, A Smith and R Arundell 19-6. The 'B' team lost on both rinks against Exeter St Thomas C by 28-35.

Feniton Ladies completed the

double over Chardstock Ladies winning at home by 41-32.

The winning rinks were G Blackmore, N Cox, A Coyne & J Smith 21-14 and R Clarke, A Pritchard, G North & C Granger 20-18.

They then lost their next match against Sidmouth by 37-55. The winning rink was N Cox, L Dommett & J O'Sullivan 19-14. They also lost a close match in the Inter Club competition against Hemyock by 35-43.

Finally, in their most recent match, they lost to local rivals Honiton by 33-62.

SEATON BOWLS CLUB with Linda Stone

THE weather forecast for the week boded ill, but we managed to play quite a few games between the gales and storms.

The week started, on Monday, with a friendly away match against Axminster BC.

The result was a heavy loss for Seaton. It is always a real challenge to play on their artificial surface rather than the grass we are used to.

There was a re-arranged fixture also played on Monday, June 11th which saw the Over 60s men's 'A' team losing to St Thomas 'B' by four shots (30-34). Seaton 'A' got two points and the top triple was I. Steer, R. Rowley and A. Wood.

On Tuesday, Seaton were visited by Bradninch and we had a very close game - Bradninch winning by just one shot (81-82). Our top rink was L. Hurley-Smith, G. Fulalove, K. Miles and J. Russell.

Wednesday was a busy day for Seaton with both the

men's 'A' and 'B' over 60s playing and the Ladies taking part in the next round of the Inter Club competition.

The men's 'A' team won by a massive 44 shots (58-14) against Honiton 'A'. Seaton gaining eight points with both Seaton rinks having the same shot difference of 22. The men's 'B' team also won at Sidmouth playing the Sidmouth 'C' team (36-28) gaining 7 points to 1.

The Ladies travelled to Culm Vale Bowls club, near Cul-lumpton, to play Rock Park from Barnstaple. Seaton won by 10 shots (38-28).

Starcross visited Seaton on Thursday to play a mixed triples match. Seaton won 64-55. Our top triple was J. Packham, M. Vessey and K. Miles.

On Friday the Ladies' over 50s team played at home against Heavitree. They lost by just two shots, but gained just two of the six points winning on one rink.

Having managed to avoid the 'weather' all week, our last match of the week on Saturday at Tiverton Borough was hit by a down pour and had to be abandoned after five ends.

NATIONAL WIN FOR ROSANNA

ROSANNA Hendley riding Chilli Pepper, representing the Lamberts Castle Riding Club, recently won the Junior Novice Challenge competition at the Festival of the Horse held at Aston le Walls in Northamptonshire.

The Challenge competition is a fairly new class that consists of a show jumping course with plenty of technical questions. As each round is finished, competitors immediately begin an up to height 90cm timed cross country course.

Rosanna did particularly well, she was one of the very few competitors to jump a double clear round out of over 90 competitors, and finished with only 0.8 time penalties to take second place. The junior novice team members were: Rosanna, Molly and Grace Savage and Mollie Hansford.

The junior intermediate team at the same competition did well to finish 7th in their class. Team members were Layla Felgate, Billie Ann Warren, Steph Bere and Sophie Benger. Layla finished 9th as an individual on just nine penalties.

Both teams from Lamberts Castle Riding club qualified for the National event last autumn at the area 12 qualifying competition near Bristol.

HARPER THROWS DOWN THE GAUNTLET

TWO-TIME runner-up Kevin Harper put himself in the box seat on the opening day of the Powerade PGA Assistants' Championship at East Sussex National.

The Sidmouth Golf Club assistant came good on day one of the £32,500 tournament as he carded a five-under-par 67 to give himself a one shot lead over Matt Spencer (Mill Hill) and a two-shot advantage over defending champion Matthew Cort (Rothley Park).

Just seven players shot under par on a course that recovered well having endured a deluge of rain in recent days.

Harper, a former PGA Europro Tour Order of Merit winner, chalked up six birdies with a bogey at the ninth the only blot on his card.

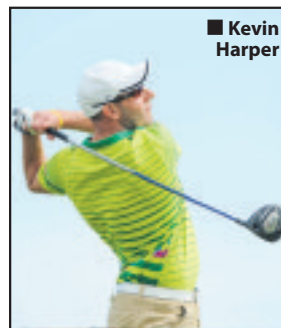

"I'm really, really pleased with the result," he said.

"The leaderboards are all round the course and I knew what I had to do. Even though it's a great score I'm still disappointed - it was one of those days when I had visions of shooting in double figures under par.

"It's one of the best days I can remember playing tee to green. I had an opportunity at nearly every single green but I just didn't hole enough putts.

"I'm pleased to be leading and it doesn't matter whether you win by one or 10, I just kept it so I can be in contention as this is my last event on a course I love playing"

Given his record in the tournament, Harper is a joint favourite for the title alongside Cort.

SENIOR SECTION

CONDITIONS for the 31 Seniors playing the second medal round of the Masters Trophy were the complete opposite to that of the first round.

A swirling wind, severe at times, made scoring extremely difficult, with the exception of the winner of the medal Tony Strong (9) who carded a magnificent 72 nett.

Added to a similar first round score Tony now leads the event on 144, two strokes ahead of second placed Mike Tones on 146.

Second place in Friday's medal went to Peter Motson (28) with 76 nett, and third spot, with 77 nett, went to Dave Weston (21) who also recorded the only 2 on a very tricky day on the greens.

MAIN CLUB

THE winner of the Grainger Prior Trophy last Sunday was Nigel Pritchard (11) with a nett 70 beating Steve

Anning (13) also with a nett 70 after count back.

Third place went to Theo Boalch (10) with a nett 71. Twos were achieved by Steve Anning and Andrew Hellier on the 11th and Andy Trivett with a 2 at the 7th.

SUNDAY MEDAL

AFTER a wonderfully hot day for Saturday's Open the rains returned in the form of a fine drizzle for Sunday's Medal.

Division Two seemed to enjoy the conditions more with Mike Stroud triumphing with a nett 68 ahead of Kevin Thompson and Richard Townsend who both carded 69s. Division One found the going a bit tougher with John Tierney's nett 71 taking the day ahead of Richard Reece (73) and James Spiller (74).

BANKS TROPHY

THIS week a new trophy was played for - The Geoff & Sheila Banks Mixed Fours Trophy - presented by Geoff to the Tuesday Mixed in memory of his wife Sheila, who was a long serving member of the Club and for many years, together with Geoff, organised the Tuesday competitions.

The format was the popular Treble Six - drawn for playing partners. Glad nobody listened to the forecast as the weather was good - no umbrellas required.

The first winners of this new trophy were Sue Ritchie and John Dickinson with 39pts. They were closely followed in second place by Jan Dickinson and Paul Ritchie with 38pts. In third spot were Jennifer Pyle and Andy Sharland with 37pts and Maureen McIlveen and Allan Seager were 4th with 35pts.

Geoff presented the trophy to the winners and John Dickinson thanked Geoff and the organisers Jennifer and Richard Pyle for a most enjoyable day.

LADIES 3BBB OPEN

IT WAS a case of now you see it, now you don't - the sun that is - on Wednesday, when 129 ladies from 27 clubs took part in the Ladies 3BBB Open.

With two scores to count and 7/8 handicap, points were hard to come by in trying conditions, and the team comprising Anne Short, Sandra Townsley and Ann Hazelwood (Fingle Glen) did well to come first with 75 points.

In second place were Erica Klim, Jill Bouquet and Phyl Lewison (Wells) with 73 points. Teams from Sherborne and Stover came in third and fourth place with 72 points separated only on countback, while

fifth place was taken by a combination team from Honiton, Axe Cliff and Woodbury with 70 points.

In sixth place was another combination team from Honiton, Taunton and Pickeridge and Woodbury with 69 points, and seventh place went to a team consisting of two Exeter players and one Honiton player with 66 points.

The 8th prize went to a team from Stover with 65 points. There were also prizes for nearest the pin on 2nd (bronze) won by Margaret Smith from Stover, and nearest the pin on the 12th (silver) won by Sue Ritchie, Honiton. Nearest the line on the 18th was won by Sue Wall from Burnham and Berrow. There were no 2s, so a random draw was made and six teams received 12 balls each.

SENIORS SECTION

WITH a dire weather forecast the seniors turned up for the Anniversary Salver competition, which is played as a pairs better ball medal.

In the event the weather was relatively kind. There was a very strong wind, but the anticipated heavy rain failed to materialise. Despite the wind the scoring was good and the result was close.

Ron Rogers and John Fleetwood won the salver with a score of 66. The next four pairs were covered by just two shots; John Gillingham and Robert Canterbury coming in with a 67, as did Max Pipe and Bob Underwood. The last two prize-winning pairs were Andy Sharland with John Ward and John Ayland with Howard Clayton, all on 68. Out of 71 players only one made a two. John Hill managed the feat on the tenth hole and won 48 balls for his efforts.

running Honiton RC

LAST Wednesday, Honiton Running Club took part in the Woodland Relays organised by Axe Valley Runners held in the woods at Morganhayes, **writes JUDY DAVEY.**

Joining the Honiton and AVR teams to compete were Exmouth Harriers and Sidmouth Running Club. There were three runners in each team and 26 teams taking part. Honiton made up half of them and particularly successful were the junior boys' and junior girls' first teams.

The boys came 5th overall and first junior team across the line in a cumulative time of 44 minutes 37 seconds. The team was made up of Henry Riddle, Jack Elsom and Iain Ross. The girls were 9th overall and 1st girls back in a time of 49:27 beating all other female teams including the adults. The team consisted of Lydia Clapp, Florence Swan and Ruth Squires. Ruth was the fastest female of the evening.

Honiton's fastest men's team was made up of Warren Oak, Howard Bidmead and Graham Reeves. They were 8th in 47:53. Honiton's only adult lady team was made up of Judy Davey and daughter Jo and Olivia Higginson. They were 20th overall in 54:54. Honiton's fastest mixed team was the fastest mixed team of the night coming 7th in 47:40 made up of Graham Reeves, Helen Davy and Richard Harvey. Well done to everyone for such a magnificent turnout but especially to the juniors for some terrific performances.

On Sunday, several Honiton RC members took part in Farway Primary School's Over the Hill and Farway 10k. The route takes runners up the infamous Warren Hill which has a total climb of 460 ft. The first man and first lady to reach the top of the Hill were crowned King and Queen and awarded a prize.

This year both prizes went to Honiton members with Graham Reeves being crowned King and Julie Payne crowned Queen. Graham was overtaken in the latter stages of the race and lost his lead with the overall winner being AVR's Phil Bayliss in 43:31. Graham finished 3rd in 46:08.

On the other hand, Julie managed to hold on to her lead and finished first lady overall in 8th place in a time of 49:28. Steve Davey finished one place after Graham in 46:42. Following a short break from racing Richard Harris was next back in 10th place in 50:32. He was followed in 13th place by Judy Davey in 51:43 who was 2nd lady. John Burgess was next back in 17th place in 55:57. Sam Shute crossed the line wondering why she had ever thought it was a good idea and was relieved to finish in 28th place in 63:30. Despite a niggling knee injury, Wendy Williams bravely took part coming 40th in 74:07. There were 42 runners.

Rowan Westall and Thomas Lilley took part in the fun run for juniors aged 10 years and under. They were set off 10 minutes after the adult race. The first part followed the same route and with Rowan and Thomas leading the fun runners, both ran so fast they caught up the last few adults. This caused confusion for the marshals as they couldn't believe how fast the two boys had run and they were directed up Warren Hill with the adults instead of following the route of the fun run.

This meant the boys completed about four miles of the adult route in a very respectable time. Rowan came in ahead of Thomas by about a minute but unfortunately they could not be given race positions. Josh Foundling-Hawker was also disappointed as he was sent on the fun run route for younger children and although he won this race it was disallowed as he was too old. Nevertheless the boys enjoyed themselves and should be very proud of their performances.

netball Honiton

OPG retained their top spot when they defeated Pixies in a match that Pixies started with an advantage. At quarter time the Pixies were still 17-9 in front but by half way OPG had gained the advantage at 25-20, and from that position there was no looking back for them as they went on to win by 43-29. Tracey Moran had another fine game for them, whilst Flic Elliot stole the show for Pixies.

Flamingos matched that performance to hold on to second place thanks to their victory against Hi Q. Starting in front Hi Q held the lead until half way, reaching that point with a 18-15 lead. With Karen Hall playing well the Flamingos moved 26-21 in the third quarter. With Stacey Salter playing well for Hi Q the last period went goal for goal with Flamingos finishing with a 34-28 win.

Wasps needed to win their match against Bo-Peeps to hold on to third place. Bo-Peeps have had a good run recently so Wasps would need to be at their best. At the end of the first quarter Bo-Peeps had held on to their advantage and were 11-7 in front. With Sasha Podbury (nee Williams) in good form Wasps took the advantage in the second period to lead 20-12. The third quarter saw the Peeps reduce the arrears thanks to good work from Clare Graymark to 19-26. In the final period Wasps re-asserted their authority to finish 33-24 victors.

Final game of the night saw Updownman up against Tip Top Trees. Despite starting behind by quarter time Updownman had moved into the lead at 14-10. In the second quarter 3Ts scored more but from then on the game belonged to Updownman as they raced to a 47-26 victory thanks to good play from Jules Heal, with Lucy Pearson the pick of the Trees.

● **RESULTS:** Wasps 33 Bo-Peeps 24, Flamingos 34 Hi Q 28, OPG 43 Pixies 29, Updownman 47 Tip Top Trees 26

Turner relishing Rise challenge

Earth moves for Ax

NEWLY appointed Millwey Rise first team manager Kevin Turner is eagerly looking forward to the challenge of leading the club up into the Perry Street League Premier Division.

Turner, who was thought to be on the radar for the vacant positions at both Lyme Regis and Chard Town Reserves, told *VIEW SPORTS*: "I can't wait to get started. My predecessor Shane Featherstone did an excellent job and has laid down some really solid foundations to build off."

"We appreciate we have a tough challenge ahead. I've got a couple of experienced players in mind to bolster the squad but I don't want to unduly rock the boat. There are some really promising youngsters such as Nathan Wormesley and Alex Rockett.

"I'm also looking forward to working

again with Callum Garrett, Sam Dibling and my son Ben who I had in my time as Axminster Town manager.

"It's more just a case of tinkering slightly with the current squad to make sure we will be competitive next season. If myself and Gary Bridge can get the combination of youth and experience right I can see no reason why we can't finish in the top four. I've been really impressed by Lyme Regis – we'd really like to try to knock them off their perch."

Millwey begin their pre-season training at Cloakham Lawns on Sunday, July 8th – 11.30am start – any new players are more than welcome.

Work underway

Meanwhile work has started on Axminster Town's new ground adjacent to Millwey Rise's Cloakham Lawns home.

The Tigers chairman Ray Self said: "The diggers have started work on the entrance to the site and I've been talking to the specialist company that will be laying the pitch – they advise that seeding will be completed by this September."

"There are still a number of issues to be resolved with developers Devonshire Homes regarding the clubhouse, but we have sorted out the discrepancy regarding the level of the main pitch."

"They (Devonshire Homes) will continue the work at their own risk until we have signed the contract. But it definitely a case of 'when' not 'if'."
